appropriation by the Florida Legislature. This includes financial aid provided to the university by or on behalf of a student attending the university if that financial aid is provided to the student via a state government aid or grant program.

8. Federal funds are those funds provided to the university or direct-support organization for a university directly or indirectly by an appropriation by Congress. This includes financial aid provided to the university by or on behalf of a student attending the university if that financial aid is provided to the student via a governmental aid or grant program.

a. State and federal funds do not include student fees to support student-led organizations notwithstanding any speech or expressive activity by such organizations which would otherwise violate this section, provided that the student fees must be allocated to student-led organizations pursuant to written policies or regulations of each state university, as applicable.

(2) A state university or state university direct-support organization may not expend any state or federal funds to promote, support, or maintain any programs or campus activities that:

(a) Violate section 1000.05, Florida Statutes;

(b) Advocate for diversity, equity, and inclusion as defined in this regulation; or

(c) Promote or engage in political or social activism as defined in this regulation.

(3) A state university or state university direct-support organization advocates for DEI when it engages

Board of Governors; or for access programs for military veterans, Pell Grant recipients, first transfer students from the Florida College System, students from low-income families, or students with unique abilities.

- (6) Section (2) does not prohibit expenditure of state or federal funds, so long as the expenditure is for ministerial or administrative activities of a program or campus activity that
