market rates for the space and the cost of the new lease does not exceed the cost of a comparable lease plus documented moving costs. The term of such replacement lease may not exceed the base term of the expiring lease.

5. Competitive solicitations shall not be required when leasing educational facilities in a research and development park with which the university is affiliated. The university board of trustees or designee must certify in writing that the leasing of such educational facilities is in the best interests of the university and that the exemption from competitive bid requirements is not detrimental to the state, pursuant to s. 1013.17, F.S.
6. Competitive solicitations shall not be required when leasing specialized research, medical or educational facilities, if the President or the President's designee certifies in writing that said facility is available from a single source and that compliance with competitive bid requirements would be detrimental to the University.
7. Competitive solicitations shall not be required in an emergency, when leasing space is necessary because an existing state-owned or leased space is destroyed or rendered uninhabitable by an act of God, fire, malicious destruction, or structural failure, or by legal action, upon certification by the President or his designee that other University controlled space is not available and the term of any such lease does not exceed 18 months, provided the University may modify the lease to extend it on month to month basis for up to 6 additional months to allow completion of such construction or renovations.
8. Competitive solicitations shall not be required when leasing facilities in a hospital or other medical facilities, such as a medical office building, with which the University is affiliated.
