

(1) University boards of trustees may establish direct support organizations ("DSO") and health services support organizations and certify them to use university property, facilities and personal services. Such support organizations shall be organized and operated to serve the best interests or missions of the university, including a university's research, education and service missions, and may receive, hold, invest, and administer property and make expenditures to or for the benefit of the university or for the benefit of a research and development park or research and development authority affiliated with a university.

(2) Each board of trustees shall establish by regulation conditions with which a support organization must comply in order to use university property, facilities, or personal services and such additional conditions, controls, and requirements for support organizations as each board deems appropriate to provide for budget and audit review and oversight. In addition, the regulation must include the following conditions:

- private partnership transactions involving a DSO are subject to the State University System Public-Private Partnership Guidelines.
- (c) The establishment of appropriate thresholds that delineate when approval is required by the board of trustees for the acquisition of real property and the construction or renovation of facilities by a DSO.
- (d) University personal services used by a DSO are subject to the remuneration requirements set forth in section 1012.976, Florida Statutes.
- (e) A DSO is prohibited from using state funds for travel expenses incurred by the DSO.
- (f) A DSO is prohibited from giving, either directly, or indirectly, any gift to a political committee as defined in section 106.011, Florida Statutes, for any purpose.

(3) The Director or Chief Executive Officer of the support organization shall report to the University President or designee.

(4) Operating budgets of support organizations shall be prepared at least annually, and approved by the organization's governing board and the university board of trustees. Significant changes in planned expenditures in the approved budget must be reported to the university board of trustees as soon as practicable but no later than the deadline established by a board of trustees.

(5) Support organizations shall provide for an annual audit conducted pursuant to university regulations or policies. The annual audit report shall be submitted to the university board of trustees for review. The audit report shall be submitted to the Board of Governors, and the Auditor General. The university board of trustees or designee, the Board of Governors, the Auditor General, and the Office of Program and Policy Analysis and Government Accountability may require and receive any records relative to the operation of a support organization from the organization or its independent auditors.

(6) Each support organization shall submit its federal Internal Revenue Service application for Recognition of Exemption form (Form 1023) and its federal Internal Revenue Service Return of Organization Exempt from Income Tax form (Form 990) to the university board of trustees or designee at the times required by the applicable regulation or policy of the board of trustees. Copies of such forms shall be provided by each university to the Board of Governors.

(7) As of July 1, 2019, any transfer of a state appropriation to a DSO is limited to funds pledged for capital projects.

- (a) This regulation does not prohibit the transfer of non-state funds between university DSOs, or the transfer of non-state funds to the DSO, as long as the original source of funding was not a state appropriation.
- (b) A DSO may transfer funds and provide the use of DSO property, facilities or personal services without any charge to the university.
- (c) Effective for fiscal 2018-2019, and annually thereafter, each university will report to the Legislature and the Board of Governors all transfers of state funds to each university DSO, using the format and instructions specified by the Chancellor.

(8)

decertifying a support organization, the board of trustees shall require an accounting of the organization's assets and liabilities and take such reasonable action as necessary to secure the return of all university property and facilities as requested by the university.
